

Level One

Unit Thirteen

Dear Family:

You and your child have been doing some wonderful work together. In Unit 13 I am going to add one more suffix ending to words. This time the suffix 'es' will be added to the words. This suffix will be added to closed syllable words such as the word "lunches." The base word is lunch and the suffix is es. As a reminder: the procedure for reading the words lunches and wishes is to read the base word first and then say it with the suffix as follows: lunch - lunches wish - wishes

Practice

Practice writing and reading these sentences for fluency:

1. **Josh wishes his friend luck.**
2. **Jim brushes the lint off the rugs.**
3. **Janet dresses for work.**

Using -es

If the base word ends in s, x, z, sh, or ch then we add the suffix

Trick Words

work
word
write
being
new

their
first
look.
good
