

Level One

Unit Seven

Dear Family:

Unit 7 introduces your child to more glued sounds. Previously, the glued sounds of all, am, and an were taught. In glued sounds, letters have their own sounds, but are difficult to separate. A word such as sink with the glued sound /ink/ will be tapped /s/ (one tap) and /ink/ (one tap with three fingers together).

Practice

Practice writing and reading these sentences for fluency:

- The cat got a chunk of fish.**
- Kim will sing six songs.**
